

Borel & Barbey advised Aria on the implementation of a factoring program for a leading Swiss company

Borel & Barbey advised fintech company Aria on the contractual implementation of a factoring programme for a major Swiss company.

With an instant API financing solution dedicated to B2B and SaaS marketplaces, Aria offers multi-jurisdictional factoring programmes tailored to the needs of international groups.

The Borel & Barbey team consisted of Clément Bouvier, Jérôme-Edouard de Vergnies and Julien Dayer.
